Would have responded sooner but we have been away on vacation. With construction underway the site is now obviously a "work" site rather than an empty lot. If I see any more homeless there will let you know.

Thanks for your help.

The property has been better secured and construction has begun. I was there this morning and I don't think we'll be having issues at this location any more.

I have been in contact with the owner. I have a trespass letter on file, but he has yet to post signs. Last I spoke to the owner he advised me that he was going to begin construction there the beginning of July. I have gone by there on multiple occasions at different times of day and I have never encountered anyone on the property to warn or arrest.

Hello Donald:

Have you gotten in touch with the owner? Me and Inga can attempt to do so.

At our recent Neighborhood Mixer, we received a neighbor's complaint that a homeless encampment affecting the BID area has been established in the vacant lot located at 740 N. Curson. I'd like to ask our BID resources to attempt to investigate and re-mediate. It may be that this construction site is not properly secured, which may make it a Neighborhood Prosecutor issue. Let me know what you find. Thank you.
